

POMPUNIT
Kubota V1505 / Pratissoli KF28
HW-nr.: 0927725

Technische specificaties

- KF28 plunjerpomp, UL221/200H drukregelaar, manometer, riemoverbrenging 1:5, capaciteit: 42 ltr/min., werkdruk: 200 kg/cm²- 200 bar
- Kubota V1505 4-cilinder watergekoelde dieselmotor 34 pk / 25 kW
- Radiateur en uitlaat bescherming en elektrische starter
- Inhoud brandstoftank: 30 ltr.
- Op buizenframe met 6x diepocell trillingsdempers
- L x B x H: ± 110x80x82 cm
- Gewicht: ± 470 kg
- Opties: gemonteerde zuigslang met zuigkorf
gemonteerde retourslang
gemonteerde hogedrukslang(en)
toerentalmeter
brandstofmeter
droogloopbeveiliging

PUMPUNIT
Kubota V1505 / Pratissoli KF28
HW-no.: 0927725

Technical specifications

- KF28 plunger pump, UL221/200H pressure regulator, manometer, belt transmission 1:5, capacity: 42 ltr/min., working pressure: 200 kg/cm² -200 bar
- Kubota V1505 4-cylinder water-cooled diesel engine 34 hp / 25 kW
- Protections for radiator and exhaust and an electric starter
- Capacity fuel tank: 30 ltr.
- On steel frame with 6x diepocell shock absorbers
- L x W x H: ± 110x80x82 cm
- Weight: ± 470 kg
- Options:
 - fitted suction hose with suction basket
 - fitted return hose
 - fitted high pressure hose(s)
 - tachometer
 - fuel meter
 - run dry protection
